Learn to Swim Instructors

MEET THE TEAM

TRAVIS

LTS INSTRUCTOR

Hey, I'm Travis. I'm 20 years young and I am an ex-swimmer of roughly 15 years. In my years of swimming, I picked up multiple national titles, I still hold BOP records and I was honored to compete for the country on the NZ team. Now with my swimming years completed, I have decided to pick up the pen and study a business course. I try to stay fit by going for regular walks and I work out at the gym (sometimes I slide a little swim in there too). I enjoy having the opportunity to give back to the swimming community by teaching young ones water safety, how to swim, and also how to progress their swimming as competitive athletes.

MEET THE TEAM

EDWARD

LTS INSTRUCTOR

Hey, I'm Edward and I'm looking forward to starting a new term with new and familiar faces in the pool. I am a student at Otumoetai College and have been swimming for as long as I can remember. I compete in surf lifesaving for the Mount Maunganui Surf Club and currently hold a national title for the run-swim-run event. I also patrol as a lifeguard at the Mount as well. In my spare time, I enjoy hanging out with friends. I believe that all Kiwi kids should learn to swim and I'm pumped to have the opportunity to teach kids something I love to do.

MEET THE TEAM

OLIVIA

LTS INSTRUCTOR

Hi, I'm Olivia and I go to Otumoetai College. In my spare time, I am a lifeguard at the Mount Main Beach and compete at SLSNZ pool champs and surf competitions for the Mount Maunganui Surf Club. I also swim for Evolution Aquatics in the Fitness Squad. I like teaching kids how to swim, as it allows me to give back to the community, whilst doing something I enjoy.

MEET THE TEAM

SHAELI

LTS INSTRUCTOR

Hey, I'm Shaeli and I attend Tauranga Girls' College. I am 17 years old and have swum for 15 of those years. During my time as a competitive swimmer for EVO, I claimed a number of national titles and still hold multiple club and school records as well. In my free time, I become sort of a Nana who enjoys crocheting, sewing, knitting, and reading. I'm so glad to have this opportunity to pass on my swimming knowledge to younger swimmers and make sure they can feel safe and confident in all bodies of water.

MEET THE TEAM

DANIELLE LTS INSTRUCTOR

Hi, my name is Dani, and I currently attend Tauranga Girls' College. Currently, I swim with the Fitness Squad for Evolution, but used to train competitively. I learned to swim through the Otumoetai Swimming Club, which later joined with other swimming clubs to form Evolution Aquatics Tauranga. My favourite thing about teaching is seeing swimmers progress through the levels and graduate at the end of the programme.
