IMPORTANT

**LESSONS START
THE SECOND WEEK OF
TERM 3
MONDAY 29 JULY 2024**

In response to feedback from our membership, EVO has made a few changes to our LTS programme for this upcoming term during the winter months.

- No Level 1 classes will be offered in Term 3 due to the temperature of the learner pool
- Levels 3 will be reduced to 30 minute lessons - however families can still book a second complimentary lesson each week should they wish to
- There will be no Pre Squad classes - instead, those who have completed the LTS programme will be invited via email to trial squad swimming during the school holidays.

Current LTS Members

Current members DO NOT require an assessment.

Please log in to your swimmer's profile via our website. At the top, under the Assessed Skills tab, you will be able to view your levels for Term 3.

The level is completed if it has a yellow star. You can then register your swimmer for the next level.

★ Level 2 - Water Competence

If the level has an arrowed circle your swimmer will remain in this level for Term 3.

↻ Level 3 - First Strokes

This winter season there has been a lot of sickness about!

While the water temperature at Otūmoetai Pool remains the same all year round, swimming during winter can feel colder due to the cooler air temperature within the facility.

In Term 3 2024, our Level 3 instructors will run faster-paced 30-minute classes

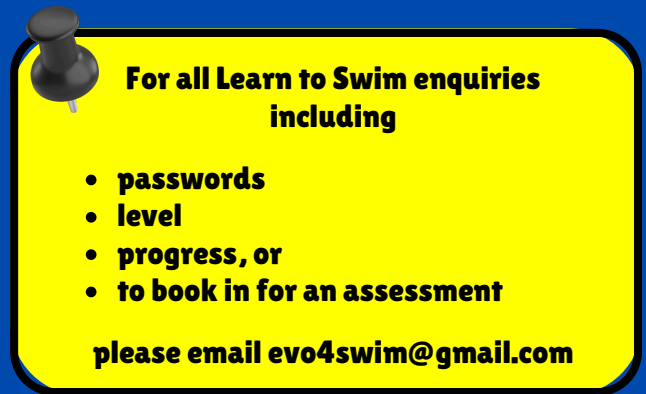

Lessons will still cover everything your swimmer needs to progress their skills, while keeping them a little warmer throughout the session.

For those who wish to continue swimming twice a week, you are welcome to contact us to discuss this AFTER you have registered for your first Term 4 class.

Our availability for second swims will be advised before the term starts.

Thank you for your understanding.

The logo for Evolution Aquatics, featuring the word "EVOLUTION" in a bold, black, sans-serif font. The letter "O" is stylized with a yellow and green circular graphic element.

Pool Entry

You do not have to pay pool entry for your swimmer to attend their EVO LTS lessons.

Parents and Caregivers must fill in a Bay Venues membership form to obtain an entry tag. Forms and tags are available from Otūmoetai Pool reception, or you can download a form from our website under the [LTS Info](#) tab.

Swimmers MUST use this tag to scan into the pool at reception EVERY TIME they attend their lessons.

If you do not already have a tag, please allow extra time on the day of your first lesson for staff to process and organise this for you.
