7. Restrictions:
  - . Swimming-up: Events are as stated; however, a swimmer *may* swim up in age group in any event - **but must remain in that age group for the *entire* meet.**
  - . Composite Teams: Clubs may combine to enter a composite team in the competition. Combined teams cannot win any points or any Championship Trophies.
  - . Clubs may enter any number of teams in any event although a maximum of two(**2**) teams in *any* relay event can only gain points towards the Gladesville Trophy.

9. Team Skinz: 2 Males and 2 Females in each Team. One swimmer from each Team races first round. Slowest 2 swimmers eliminated and each round going in 60s. When a swimmer is eliminated the next swimmer in their team steps up and takes their place in the next round. When only three teams remain then the slowest swimmer will be eliminated. This is a great spectacle with multiple tactical layers.
