The **Classic Series** is back with **TWO great development meets** — perfect for getting some racing under your belt in a fun, relaxed and supportive environment.

CLASSIC SERIES – MEET ONE
Sunday 20 September Greerton Pool Hosted by **LVW Aquatics**

CLASSIC SERIES – MEET TWO
Saturday 17 October Greerton Pool Hosted by **Papamoa**

SO, WHAT'S THE DEAL?

These are **Development Meets**, so the focus is on **RACING, LEARNING, PRACTICING SKILLS & HAVING FUN!**

A few things to know:

Times cannot be used for National qualification

No electronic timing with touch pads

These are **not SNZ-officiated meets**

No DQs!

Instead, swimmers will receive **Learning Sheets**, giving them some helpful feedback on their swims and areas they can continue to work on.

WHO SHOULD ENTER?

EVERYONE! EXCEPT THOSE AT NAGS AND OPEN LEVEL.

Want a fun racing environment?
Want to try an event?
Want to work on your starts, turns and finishes?
Want to build confidence behind the blocks?
Want some race practice before the officiated meets later in the year?

THIS IS YOUR MEET!

It's a great opportunity to race without the pressure, learn from each swim and get yourself ready for the bigger officiated meets still to come.

So, swimmers... **ENTRIES ARE OPEN!**

Get your entries in, grab your goggles, rally your mates and get ready to **RACE, LEARN & HAVE SOME FUN!**

Two meets. Two chances to race. Zero DQs. Plenty of fun!

LET'S GO CLASSIC!
