HOT NEWS

**ALL LEARN TO
SWIM LESSONS
START THIS
COMING WEEK**

Pool Entry

You no longer have to pay pool entry for your swimmer to attend their lessons.

Parents and Caregivers need to fill in a Bay Venues membership form to obtain a tag from Ōtūmoetai Pool. Please allow extra time on the day of your first lesson for staff to process this and organise a tag.

Swimmers must use this tag to scan into the pool at reception EVERY TIME they attend their lessons.

Instructor Changes

If you have logged into your profile, some of you may have noticed that your class instructor has changed. We apologise if this is the case, as we have had to readjust some sessions.

All our student instructors are previous or current Evolution Aquatic swimmers and understand how to support and advance your child in their swimming development.

**NO POOL
ENTRY
REQUIRED**

**PLEASE
OBTAIN A
MEMBERSHIP
TAG**

WINTER SEASON

The pool is the same temperature all year round. The pool can feel colder than it actually is during the upcoming months, due to the cooler air temperature within the facility.

We recommend

- If your child tends to get cold, let them wear a rashie, thermal top (or wetsuit for Level 1).
- Bring warm clothes, shoes and a jacket (or even PJs and a dressing gown) to put on after having a warm shower following lessons and for the walk to the carpark.

EVOLUTION CLUB CHAMPS

All Evolution Aquatics Learn to Swim members in Levels 3 and 4 are invited to Club Champs. This will be held at the Ōtūmoetai Pool on Sunday 7th of May at 1 pm.

You can enter up to four events and trophies are up for grabs for u9/10/11/12/13/14/15/16/17&over

Please refer to the flyer sent out via email

For those who are not confident just yet to enter into the 50m plus events offered at Club Champs, we will be having some fun little races that your swimmer can come and be a part of with the club.

Please fill in the google form sent out via email if you wish to attend or email evo4swim@gmail.com

The logo for Evolution Aquatics features the word "EVOLUTION" in a bold, black, sans-serif font. The letter "O" is replaced by a stylized yellow and white graphic of a swimmer's head and arms in motion, creating a sense of dynamic movement.
